## What's Up At the Summit?

### Happy New Year from your friends at Summits Wayside Tavern!

By Simran Khurana, [About.com](http://About.com)

The New Year may be a significant event for many people. But the absurdities of the celebration cannot escape a skeptic's mind. Here are some funny New Year quotes. What better way to start a New Year than with a hearty laugh? You can share your joy by greeting everybody with these funny New Year quotes.

#### Mark Twain

New Year's is a harmless annual institution, of no particular use to anybody save as a scapegoat for promiscuous drunks, and friendly calls and humbug resolutions.

#### Brooks Atkinson

Drop the last year into the silent limbo of the past. Let it go, for it was imperfect, and thank God that it can go.

#### Bill Vaughan

Youth is when you're allowed to stay up late on New Year's Eve. Middle age is when you're forced to.

#### P. J. O'Rourke

The proper behavior all through the holiday season is to be drunk. This drunkenness culminates on New Year's Eve, when you get so drunk you kiss the person you're married to.

#### Jay Leno

Now there are more overweight people in America than average-weight people. So overweight people are now average... which means, you have met your New Year's resolution.

#### James Agate

New Year's Resolution: To tolerate fools more gladly, provided this does not encourage them to take up more of my time.

#### Eric Zorn

Making resolutions is a cleansing ritual of self assessment and repentance that demands personal honesty and, ultimately, reinforces humility. Breaking them is part of the cycle.

#### Bill Vaughan

An optimist stays up until midnight to see the New Year in. A pessimist stays up to make sure

## ...Happy New Year!

the old year leaves.

**Oprah Winfrey**

Cheers to a New Year and another chance for us to get it right.

**Mark Twain**

New Year's Day... now is the accepted time to make your regular annual good resolutions. Next week you can begin paving hell with them as usual.

**Judith Crist**

Happiness is too many things these days for anyone to wish it on anyone lightly. So let's just wish each other a bile-less New Year and leave it at that.

**Anonymous**

Many people look forward to the New Year for a new start on old habits.

**Joey Adams**

May all your troubles last as long as your New Year's resolutions!

**Anais Nin**

I made no resolutions for the New Year. The habit of making plans, of criticizing, sanctioning and molding my life, is too much of a daily event for me.

**Oscar Wilde**

Good resolutions are simply checks that men draw on a bank where they have no account.

**Robert Paul**

I'm a little bit older, a little bit wiser, a little bit rounder, but still none the wiser.

**Anonymous**

A New Year's resolution is something that goes in one Year and out the other.

**Leonard Bernstein**

From New Year's on the outlook brightens; good humor lost in a mood of failure returns. I resolve to stop complaining.

**G. K. Chesterton**

The object of a New Year is not that we should have a new year. It is that we should have a new soul and a new nose; new feet, a new backbone, new ears, and new eyes. Unless a particular man made New Year resolutions, he would make no resolutions. Unless a man starts afresh about things, he will certainly do nothing effective. Unless a man starts on the strange assumption that he has never existed before, it is quite certain that he will never exist afterwards. Unless a man be born again, he shall by no means enter into the Kingdom of Heaven.

## Beer Spotlight

### Allagash Black

Portland, Maine

A new Belgian style stout, is brewed with German 2 row barley, Torrified wheat and oats, balanced by a large addition of Belgian dark candi to give the Black a full and silky mouthfeel. Roasted malts give this stout its classic chocolate, toast and malty taste, and contribute to chocolate notes and a hint of roasted coffee in the aroma.

## Beer Geek

### English Pale Ale

This style was originated by producers in Burton in the 1800's. High levels of calcium found in Burton's water complement this style well by enabling a more efficient extraction of bitter resins from the hops. Non-Burton producers add "Burton salts" to their water to replicate this desirable trait. Burton yeasts are unusually fine, remaining in suspension for a thorough fermentation. Taste and aroma are very similar to the bottled equivalent of an English Bitter. Hoppiness is not generally as pronounced as with Bitters. The term 'pale' was originally intended to distinguish beers of this type from the black London Porter. Classic English Pale Ales are not pale but rather are golden to copper colored and display English variety hop character. High hop bitterness, flavor and aroma should be evident. They are well attenuated. Dry hopping is common. This medium bodied pale ale has low to medium maltiness. Low caramel is allowable. Fruity ester flavors and aromas are moderate to strong. Chill haze is allowable at cold temperatures. Diacetyl (butterscotch character) should be at low levels or not perceived.

## Quote of the Week

“One of the hallmarks of the baby boomer generation is that it doesn’t live like the previous generation. It hasn’t yet given up jeans and T-shirts or beer.”
